FOR IMMEDIATE RELEASE - May 12th, 2010

Calvin Klein, Diane von Furstenberg & Kenneth Cole combine forces for Life Ball

This year's Life Ball celebrations will bring together three of the World's top designers to showcase their Haute Couture for Life Ball's annual fashion show. The Fashion Show component is one of the key events that takes place during the Life Ball in Vienna, this year it will be held on the 17th of July. Guests will be treated to an exclusive viewing of the designers' upcoming collections.

Calvin Klein, Diane von Furstenberg & Kenneth Cole are in excellent company; in previous years Versace, John Galliano, Christian Lacroix, and Vivienne Westwood have participated in this unique event which has raised over €12 Million Euros for the fight against AIDS. The collections will be modeled by international supermodels as well as yet to be announced celebrities. Former US President Bill Clinton, Whoopi Goldberg, and Annie Lennox will all be in attending Life Ball this year.

For those wanting to attend Life Ball this year Hautes Vacances Boutique Travel has some of the last remaining tickets to the event as part of their 3 night "Life Ball Experience Package".
