Hautes Vacances Director, Victor Hoeld, is looking forward to sharing this sacred part of the New York gay culture with the world: "Fire Island is the best place to be in the gay world in August, the New Yorkers have made it into such an amazing vacation spot and I love that I have the opportunity to bring people from all over the world to the island".

The Hautes Vacances Fire Island Experience will take place during the Ascension Party week (12th to the 19th of August) to provide the visitors with the opportunity to experience the Island's best party. Guest will attend all major events on the Island that week and are all looking forward to getting to know the New Yorkers who frequent Fire Island.
