Media Release: First Ever Gay Polo Tour to be held in Buenos Aires

21st April, 2010

Hautes Vacances Boutique Gay Travel has just released the first ever Polo tour catering exclusively for gay and lesbian Polo players as well as those that want to learn the "sport of kings" from scratch and without any previous horse riding experience.

Following on from the recent success of the Gay Polo League tournament in the US and the huge amount of interest from the gay and lesbian community in the sport, Hautes Vacances Director Victor Hoeld, a Polo Player himself, felt this tour was a must "Having loved the sport for many years, this is my chance to help people learn how to play and bring together 'like-minded' Polo players from around the world".

The tour will take place just outside gay friendly Buenos Aires on a luxurious Polo Estancia. The tour includes tuition, tournaments, and of course plenty of opportunities to party and celebrate victories on the field and at some of Buenos Aires' coolest night spots.
